

MINISALT®

Saltwater chlorinator

MINISALT®

Saltwater chlorinator specially designed for small pools, filtering walls and compact spaces

- **Easy to use:** a single key allows the adjustment of chlorine production
- **No maintenance** thanks to its self cleaning cell
- **Safety:** visual alarm water/cell failure
- **Easy to install** on existing or under construction pool
- **Compact and cost effective**

MINISALT® 50/70 +

- **Adjustable polarity inversion** according to water hardness
- **LOW MODE** to modulate chlorine production according to LOW mode position
- **Boost mode** for a super chlorination up to 24 hours

OPTIONS

- **POOL TERRE** grounding kit
- Cable for **LOW MODE** function
- **Pool automation system SIMPLE0®**

Permanent display of chlorine production level

2 warning lights:
Green indicates device is ON
Red indicates error or alarm

Adjustable production from 0 to 10 with a simple key

**EASY
INSTALLATION !**
WALL SUPPORT
& FILTER HOLDER

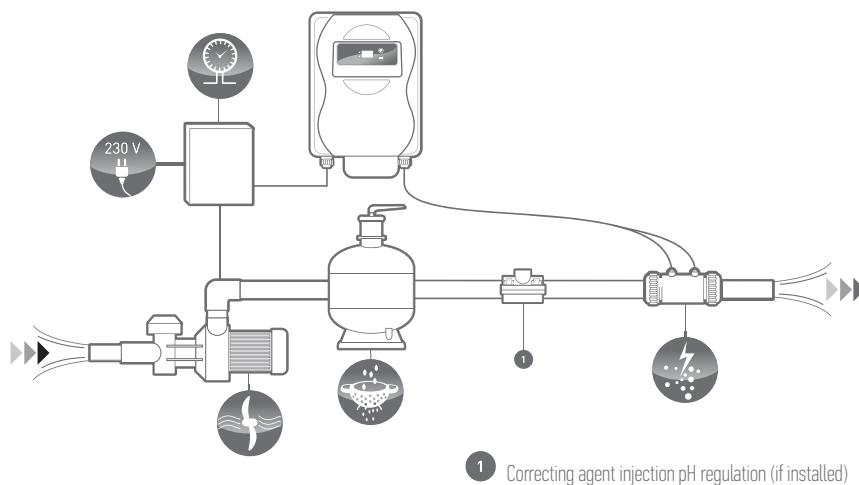

Keeping clear and healthy water is easy !

*Except MINISALT® 30
